Filed : March 10, 2004

REMARKS

Applicant wishes to thank Examiner Guidotti for examining this application. As set forth above, Claims 1-20 are cancelled without prejudice toward future prosecution. New Claims 24-35 are added. New Claim 36 is added and withdrawn as a non-elected claim that should be rejoined upon allowance of the claim from which it depends.

In response to the Restriction Requirement mailed August 10, 2006, Applicant elects, without traverse, Group 1, Claims 21-35. Furthermore, in compliance with the requirement for election of a species, Applicant elects species D. Claims 21-35 are readable thereon.

The undersigned has made a good faith effort to respond to the Restriction Requirement. Nevertheless, if any undeveloped issues remain or if any issues require clarification, the Examiner is invited to call the undersigned attorney to resolve such issues promptly.

No fees are seen as being necessary for filing this Response. However, the Commissioner is authorized to charge any fees in connection with this paper to Deposit Account No. 11-410.

Respectfully submitted,
